

Current information Cordial Cup - cancellation

Dear Cordial Girls Cup / Cordial Cup participants,
dear friends of the Cordial Cup,

on occasion, we would like to announce the following today:

After we have already canceled the spring qualification tournaments, we now have to make the most difficult decision. In the course of the development around the COVID-19 pandemic and in concern and responsibility towards the many participating young people, guests and spectators, we decided after careful consideration **not to hold** the **Cordial Cup at Pentecost 2020** in Tyrol.

This decision was not an easy one for us, especially since we have to cancel the final tournament for the first time in the 22-year history of the Cordial Cup due to these special circumstances. We have agreed this with the tourism managers and the Tyrolean associations. We are fully guided by the requirements of the authorities and do not want to take any risks.

We ask for your understanding, therefore, even if football is the most beautiful thing in the world, health simply has absolute priority in the current situation. Nobody could have predicted such a situation and it is very unfortunate.

We hope to see your club again at the Cordial Cup in the future.

In these special days we wish you all the best, especially health.

Please also pay attention to our NEWS at www.cordialcup.com.

We will communicate all details (already qualified teams, etc.) directly with the clubs. Chief organizer Hans Grübler will contact you in the coming weeks. We kindly ask you to refrain from inquiries of this kind, since the workload is already very high anyway.

As soon as we have the opportunity due to the development, we will start planning for the Cordial Cup 2021.

With sporty regards
